**Headteacher – Mr Daniel Meyer**

21<sup>st</sup> June 2023

To whom it may concern,

**Ovando Carter, London Parkour Project**

Prior to working with us on a regular basis Ovando and his team ran parkour session as part of our schools 2018 and 2019 summer fairs, as well as school performances in 2019. Moreover, in September 2020 (during the lockdown), he provided a primary parkour pick up service to help parents who required wrap around care.

Ovando started running an after school club at St Bartholomew's at the beginning of January 2022. The club proved very popular prompting Ovando to increase his provision to two clubs which he has continued to run ever since. Each club has approximately 20 children taken from all year groups. Both clubs fill quickly and are well attended.

Ovando and his team have also provided free Parkour lessons for children in Years 1, 2 and 6 which were thoroughly enjoyed by both children and staff.

I have found all members of the London Parkour Project team to be extremely professional, reliable and responsive to requests and all feedback received regarding our Parkour clubs has been very positive. Ovando is well known and well liked by staff, parents and children. We therefore hope to have the London Parkour Project continue to be part of our enrichment programme for years to come.

I would have no hesitation in recommending Ovando.

Yours faithfully

Caroline Washbourne  
Administrative Officer
