Dear Mr Carter

RE: London Parkour Project – Taster Session.

I write further to your recent visit to St Matthew Academy and to accept your offer for our students to take part in a free taster session, with a view to deliver Parkour classes in the future.

The Parkour Project is definitely an initiative that the Academy would be interested in and would therefore like to suggest The London Parkour Project run a corporate sponsored program here.

St Matthew Academy currently have over 1100 students in attendance ages ranging from 5 to 16. Our initial proposal would be to hold weekly classes for our students in years 5 and 6 on Tuesday afternoons for a period of 16 weeks.

We look forward to working in conjunction with you all at the London Parkour Project to offer the exciting classes to our students.

Yours sincerely

Mr A Goksel
